Re: Notice of Intent to Suspend Motor Vehicle Registration due to Unpaid
Child Support/ Alimony
Miami-Dade County Circuit Court Case No.: **45454** _____

Dear **Alex Maximus** _____:

As counsel for Petitioner, **Jordan Cohen** _____, I am providing notice of intent to suspend your motor vehicle registration pursuant to Florida Statute 61.13016. Florida Statute 61.13016 states in part, “When an obligor is 15 days delinquent in making a payment in support in non-IV-D cases, and upon the request of the obligee, the depository or the clerk of the court must provide notice to the obligor of the delinquency and the intent to suspend by regular United States mail” as the first action to suspend a motor vehicle registration.

You have a support obligation pursuant to your Final Judgment of Dissolution of Marriage entered on **2018-05-24**. Your monthly child support obligation amount is \$**1222.0** _____. You have failed to pay the child support obligation from **2018-05-20** through **2018-05-05** _____. This results in **2222** _____ months of delinquency multiplied by the support per month and a resulting arrearage of \$ **2715284.0** _____.

This notification will be given to the Department of Highway Safety and Motor Vehicles to suspend the your motor vehicle registration unless, within 20 days after the date the notice is mailed, you,

- a. Pay the delinquency in full and any other costs and fees accrued between the date of the notice and the date the delinquency is paid;
- b. Enter into a written agreement for payment with the obligee in non-IV-D cases; or in IV-D cases, complies with a subpoena or order to appear, order to show cause, or a similar order; OR
- c. File a petition with the circuit court to contest the delinquency action; and
- d. Pay any applicable delinquency fees

Should you have any questions regarding this notice, please do not hesitate to call upon me.

Respectfully submitted,

Support Solutions
